“Allows women to focus their philanthropy on women’s issues”

The **Women's Fund** of the Community Foundation of the Eastern Shore is a permanent endowment fund created through the power of collective philanthropy. The Fund will provide grants that address the unmet needs of women and girls across the Lower Shore Counties of Somerset, Wicomico and Worcester, focusing on financial literacy, housing, abuse counseling, job training, education and more. This unique all-volunteer network aims to transform the lives of women and girls living in our Community.

Individuals who contribute \$1,000 will be considered Visionary Founders.

Visionary Founders are permanently recognized and will benefit from the social and networking opportunities of being a part of this dynamic group; building professional connections, strengthening community ties and helping them become philanthropic leaders.
