Volunteer Experience isn't always serious!

My wife and I often share our music with seniors at retirement or nursing homes. I play the cello and she plays the harp. Often times my wife will introduce a song or tell something about the music she is about to play. One time she told the audience that she is going to play a piece entitled, Claire de Lune by Claude Debussy. One hard of hearing resident asked another sitting next to her, "What did she say?" The resident replied, "She is going to play Fruit of the Loom."

Love nature and being outdoors? Check out our environmental mixer!

Join us for a fun social event where you can meet area environmental nonprofits one on one during a speed networking event and find out what you can do to help them in the tri-county area. Free event, includes snacks and door prizes. Call today to sign up!

 **Date: Wednesday, June 22nd**

 **Time: 5:30–7:30 p.m.**

 **Place: The Community Foundation**
