

BALTIMORE BIODIESEL ESTABLISHES SCHOLARSHIP
FUND TO BENEFIT PRINCESS ANNE STUDENTS

Baltimore Biodiesel, LLC has established a new endowed scholarship fund to benefit disadvantaged students from the Town of Princess Anne who have been accepted to college or training institutes. The endowed scholarship has been established with a \$10,000 gift to the Community Foundation of the Eastern Shore. The announcement of the new fund coincided with a groundbreaking ceremony on January 26th, for a new biodiesel plant in the Princess Anne Industrial Park. Pictured (l to r) are: Erik Lytikainen, president of Baltimore Biodiesel; Town of Princess Anne Commissioners Garland Hayward, vice-president; and Frank White, president; and Terry Blades and Melody Nelson, Community Foundation board members.
